Introduction

Integral Skills is a Registered Training Organisation (RTO number 45528) registered with the Australian Skills Quality Authority. Integral Skills is proud to offer training in Technical Reference Guide (TRG) – Hot Work (Cutting and Welding) at Mines and Petroleum Sites.

Course Description

This course provides learners with an understanding of the TRG – Hot Work (cutting and Welding) at Mines and Petroleum Sites. It is not part of any Nationally Recognised Training Package but the knowledge is essential to perform Hot Work at Mines and Petroleum Sites.

This course is in addition to any trade related qualification that the learner may have.

Course Topics as they relate to Hot Work

- Purpose
- Legislation.
- Hot Work Management.
- Gas Cutting, Heating and Welding Equipment
- Thermal Lancing.
- Electric Welding.
- Grinding, Cutting and Abrasive Discs.
- Specific Areas.
- Hazardous Areas
- Confined Space
- Enclosed and Sealed Spaces
- Working at Heights
- Underground Coal Mines

Assessment Summary

The learner will be assessed by answering a number of written questions regarding their actions and theoretical application of knowledge.

The assessment is based on the TRG – Hot Work (Cutting and Welding) at Mines and Petroleum Sites and designed to assess the learners understanding of the TRG.

Course Conduct

On arriving, learners will complete any outstanding enrolment administration and then participate in group learning activities regarding the knowledge and application of the TRG at Mines and Petroleum Sites.

Learners will be asked questions throughout the delivery of the training with verbal responses required. At the completion of the training, the learners will be assessed to ascertain their level of knowledge/understanding of the TRG.

At Integral Skills we provide a friendly and supported environment to learn and achieve.

Mode of Delivery

Delivery of this course will be trainer led and delivered over one day of face-to-face training in a classroom setting.

Pre-Requisites/Entry Requirements

- There are no qualification or pre-requisites for this course.
- Learners must be aged 15 years or older.
- Photo Identification is required to be sighted prior to course commencement.
- Language, literacy and numeracy skills required to interpret legislative requirements and to undertake written assessment.
- All course materials will be provided by Integral Skills.

Clothing Requirement

Where a learner does not wear enclosed footwear, they will not be able to participate in the course due to work health and safety concerns.

Fees and Charges

Additional information about fees and charges is provided in the Schedule of Fees and Charges which will have been included in your pre-enrolment information package.

Responsibility for Training

Integral Skills is responsible under the National Vocational Education and Training Regulator Act 2011 for the quality of the training and assessment being delivered in this course and for the issuance of all certificates.

Please refer to the Student Handbook for further information on all student rights and obligations.

Confirmations

A learners position on the course will only be confirmed upon a completed of online enrolment via the website, course booking form or via contact with our reception staff, including payment of your course fees.

Numbers are limited, so confirmed enrolments will only be able to attend.

Duty of Care

Integral Skills adopts high standards in duty of care of its learners and instructors. Integral Skills reserves the right to turn anyone away that seems 'Not Fit For Work', i.e. under the influence of drugs, alcohol, fatigue, emotional instability.

This action is to ensure that the learner and instructors safety is assured and that Integral Skills maintains an incident free learning environment and complies with our duty of care responsibilities.

Integral Skills is responsible for the quality and delivery of training and assessment and will be the organisation issuing any qualifications or statements of attainment to eligible students

This document must be read in conjunction with the Learner Handbook, Schedule of Fees & Charges and USI Fact Sheet.
